<i>I am aware that participation will involve the use of the MusiCloud application</i>	Yes/No
<i>I am aware that participation will involve the completion of a survey</i>	Yes/No

Withdrawal From Study

I have been informed that I may withdraw from this study at any time and that participation is fully voluntary.

Confidentiality

I have been made aware that the process for maintaining data confidentiality in relation to this study, is to limit access to the raw data to the principal investigator and Rory Williams Doyle. I have also been informed that data collected in the course of this study will be aggregated and anonymized to protect participants identity's, and that the raw data shall be deleted upon completion of this aggregation. I accept this as a wholly adequate arrangement to protect the confidentiality of data collected in this study. I am also aware that this confidentiality is subject to lawful restriction. I understand and accept that data collected may be handed over to a third party in order to comply with a court order, subpoena or any other official legal request. I am also aware and take no issue with the small sample size of this study (approximately 20 people), and understand that this may make it impossible to ensure the confidentiality of my data.

Retention & Disposal Of Data

By signing below I accept that my data may be held in a DCU Google drive account up until April 18th 2020. I also accept the deletion of raw data files and aggregated and anonymized summaries of this data, from the Google drive account, as an adequate method of data disposal.

Signature

I have read and understood the information in this form. My questions and concerns have been answered by the researchers, and I have a copy of this consent form. Therefore, I consent to take part in this research project
